THE KIWANIS CLUB OF LONDON

presents

THE

LESLIE BELL SINGERS

Critics acclaim them as America's greatest girls' choir. Combining in their work, as they do, the dramatic virtuosity of the Don Cossacks and the feminine charm of the Phil Spitalny singers, they are unlike any other choral group in the country.

Hammond Organ Model C.V. Illustrated

IN YOUR OWN HOME

The new Hammond Vibrato now being built into all Hammond organs provides a new and thrilling effect greatly appreciated by both listeners and musicians alike.

This new Vibrato effect is similar to the great emotional appeal of the violin in the hands of a master who can impart a true vibrato to his playing. As installed in the Hammond Organ, the Vibrato effect enhances the music so that it is richer and fuller.

The new Hammond Vibrato is also available at moderate cost to present owners of Hammond Organs.
